Registration

Fall 2015 registration begins at the end of March. Use your MAP (Major Academic Plan) and the Course Catalog to help plan the classes you want to take.

Your MAP provides a suggested sequence of classes and major requirements to be fulfilled before graduating. Find your MAP here.

The Course Catalog and Class Schedule give descriptions of courses. The Class Schedule lets you search classes by credit hour, department, time, day, or building.

COUGAR CASH

A prepaid account on your ID Card (like a BYU debit card) to make purchases on campus.

Why use it?
- Save sales tax on campus purchases
- Print papers at kiosks located in nearly every building
- Do laundry at a discount
- Get a quick snack at a vending machine
- Prevent debit and credit card fees charged to BYU

Visit cougarcash.byu.edu to learn more and start putting money on your card!
