**Transfer Credits**

**WHAT ARE THE BENEFITS OF TRANSFER CREDITS?**

Transfer credits are helpful for lightening students’ course loads and allowing students to graduate on time. Remember, it is your responsibility to ensure that BYU receives all your transfer credit.

**Transfer Credit Types**

**WHAT CREDITS WILL TRANSFER?**

BYU accepts many different types of transfer credit. Because credit transfers uniquely, you’ll need to find out more about your specific situation. Please visit the following websites:

**AP/IB Tests**

Generally, you will receive credit for Advanced Placement scores of 3, 4, 5, and International Baccalaureate scores of 5, 6, 7. Be aware that BYU won’t receive results from AP tests taken in May 2016 until July. Click **HERE** for more information.

**College Transfer Credit**

Select your previous institution from the **Transfer Guides by School**. Click **HERE** for information.

**International Transfer Credit**

Click **HERE** for information.

**Transfer Verification**

**HOW DO I CHECK TO SEE IF MY CREDITS TRANSFERED?**

1) Check MyMAP > Progress Report  
2) BYU receives AP/IB scores and official transcripts from all schools attended if, and only if, you request they be sent to BYU. This is your responsibility!  
3) Talk to your college advisement center for evaluation of transfer work that might fill major requirements.

**HAVE A HAPPY 4TH OF JULY!**

**Does this credit count?**

**Does transfer credit matter?**

BYU ensures that its graduates have a well-rounded education by setting different University Core requirements. Some AP/IB tests, other University courses, and International classes can be used to fulfill these requirements.
