## ENROLLMENT SERVICES

### Online Parent Orientation

#### HOW ENROLLMENT SERVICES HELPS & NEXT STEPS FOR PARENTS:

##### Financial Aid | [FINANCIALAID.BYU.EDU](https://financialaid.byu.edu)

FAFSA is a federal application to determine if a student qualifies for Pell Grants, subsidized loans, and unsubsidized loans. The 2020-2021 FAFSA is due on the last day of enrollment or June 30, 2021 (whichever is first). Start early to be ready for fall and winter semesters—it can take 2-8 weeks to process!

**FILL OUT A FAFSA EACH YEAR AT [STUDENTAID.GOV](https://studentaid.gov)**

##### Scholarships | [SCHOLARSHIPS.BYU.EDU](https://scholarships.byu.edu)

BYU has one annual scholarship application due every February 1. Students can check with their major's department & college for more scholarship opportunities.

Students can search for off-campus scholarships on [byu.scholarshipuniverse.com](https://byu.scholarshipuniverse.com).

**REMIND YOUR STUDENT EVERY FALL SEMESTER TO COMPLETE THE BYU SCHOLARSHIP APPLICATION BY FEB 1**

##### Registration | [REGISTRATION.BYU.EDU](https://registration.byu.edu)

Students register for classes online at [mymap.byu.edu](https://mymap.byu.edu). If they need help choosing which classes to take they should contact their [major's academic advisement center](#) or the [University Advisement Center](#). If they need help with MyMAP, contact Enrollment Services.

**USE THE BYU CLASS SCHEDULE TO PLAN A SCHEDULE. LEARN ABOUT PRIORITY REGISTRATION DATES.**

##### Records | [RECORDS.BYU.EDU](https://records.byu.edu)

Students should send BYU all updated college transcripts from other universities and AP or IB test scores to ensure credits transfer.

**IF YOU NEED PROOF OF ENROLLMENT FOR YOUR STUDENT GO TO [VERIFICATION.BYU.EDU](https://verification.byu.edu)**

## Student Accounts | [MFC.BYU.EDU](https://MFC.BYU.EDU)

My Financial Center is BYU's system that manages student charges, payments, direct deposit, financial aid and scholarship deposits, and [Cougar Cash](#). Check My Financial Center often for fees, alerts, and tasks.

[Tuition](#) is due 7 days before the beginning of each semester/term. BYU recommends paying tuition online with an echeck.

**SET UP GUEST ACCESS IF YOU WANT TO VIEW YOUR STUDENT'S FINANCIAL INFORMATION ONLINE**

## Guest Access | [GUESTACCESS.BYU.EDU](https://GUESTACCESS.BYU.EDU)

Due to FERPA laws, BYU must have student permission to share any student info. Guest Access allows a student to give another person access to their BYU account—either as a proxy user online, or permission for BYU to release student information over the phone.

If you plan to pay your student's tuition and fees, manage their account while serving a mission, or call/visit BYU to ask questions about their account, then you will need Guest Access.

**TALK WITH YOUR STUDENT ABOUT ADDING YOU AS A GUEST ON THEIR STUDENT ACCOUNT**

## Mission Deferments | [MISSIONARY.BYU.EDU](https://MISSIONARY.BYU.EDU)

Students leaving for missionary service must submit a mission deferment form online in order to continue enrollment after they return. Important things that parents can help their missionary student include:

- Set up Guest Access (Missionary will still need to do their own ecclesiastical endorsement before returning to BYU)
- Be aware of scholarship deadlines and complete the FAFSA for the upcoming semester they will enroll
- Check YMessages and emails for your missionary

**USE THE PARENT OF A MISSIONARY CHECKLIST AT [MISSIONARY.BYU.EDU](https://MISSIONARY.BYU.EDU)**
