Choose2Give
STUDENTS HELPING STUDENTS

Choose2Give is a student-run and funded campaign that helps students in need receive a BYU education. 100% of the money raised is used to benefit BYU Provo students.

Choose2Give is about students helping students. Most undergraduates have roughly 70% of their tuition subsidized. In other words, when you’ve already been given so much, it’s important to give back.

To learn more about Choose2Give or to donate, visit their website HERE.

Also be on the lookout across campus next week for activities and donation events!
